To display your sample boards ThomasRECOM provides the "Freestanding Wing Panel display". Our wing panel swatch board displays can be designed in many different configurations. You choose how many wings, you choose how many boards to display per wing. We can design freestanding systems or wall mounted systems. All our wing panel sample board displays are manufactured using heavy gauge steel tubing and sheetmetal powdercoated in a textured black finish. The design can also accommodate signage if desired. Don't forget we also provide the sampleboards to go on your wing panel sample board display! Give us a call to discuss your particular application at 1-800-973-2660 or email us at mike@thomasrecom.com.

WE CAN MAKE THIS DISPLAY IN MANY DIFFERENT
